Have you ever thought to yourself: "I wish I was a mouse building computers out of scrap"? Well look no further!

In Mouseware, you compete with 1-3 other players to build the best PC using cards drafted from a shared pool, while juggling a tight hand limit and these wires! Can you be the first to sell your very own custom computer?

- Hand-drawn art
- Set collection
- Resource management
- Computer hardware!!!

IT WAS MICE TO
MEET YOU!
